RESOLUTION NO OF 2025
CLASSIFICATION OF ACTION AND DETERMINATION OF SIGNIFICANCE PURSUANT TO STATE ENVIRONMENTAL QUALITY REVIEW ACT FOR ACQUISITION OF EASEMENTS FOR REDMAN ROAD BRIDGE REPLACEMENT PROJECT IN TOWN OF HAMLIN
BE IT RESOLVED BY THE LEGISLATURE OF THE COUNTY OF MONROE, as follows:
Section 1. The Monroe County Legislature determines that the Acquisition of Easements for Redman Road Bridge Replacement Project located in the Town of Hamlin is an Unlisted action.
Section 2. The Monroe County Legislature has reviewed and considered the Short Environmental Assessment Form dated November 26, 2024, and has considered the potential environmental impacts of the Acquisition of Easements for Redman Road Bridge Replacement Project located in the Town of Hamlin pursuant to the requirements of State Environmental Quality Review Act and has found that the proposed action will not result in any significant adverse environmental impacts. The Monroe County Legislature hereby issues and adopts the Negative Declaration attached hereto and made a part hereof and determines that an environmental impact statement is not required.
Section 3. The County Executive, or his designee, is hereby authorized to take such actions to comply with the requirements of the State Environmental Quality Review Act, including without limitation, the execution of documents and the filing, distribution, and publication of the documents required under the State Environmental Quality Review Act, and any other actions to implement the intent of this resolution.
Section 4. This resolution shall take effect in accordance with Section C2-7 of the Monroe County Charter.

Short Environmental Assessment Form Part 3 Determination of Significance

For every question in Part 2 that was answered "moderate to large impact may occur", or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. Part 3 should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short-term, long-term and cumulative impacts.

Part 1 of the EAF indicates the site contains or is near wetlands.

This project involves the Acquisition of Easements in Real Property for the Redman Road Bridge Replacement Project in the Town of Hamlin and will not impact the wetlands. No ground disturbance will occur as these are easements.

For the above reasons the Acquisition of Easements in Real Property for the Redman Road Bridge Replacement Project in the Town of Hamlin will not result in any significant adverse environmental impacts. Accordingly, the proposed action will not result in any significant adverse environmental impacts.

that the proposed action may result in one or more pote environmental impact statement is required.

Subject:

Classification of Action and Determination of Significance Pursuant to the State Environmental Quality Review Act for the Acquisition of Easements for Redman Road

Bridge Replacement Project in the Town of Hamlin

Honorable Legislators:

I recommend that Your Honorable Body determine whether the Acquisition of Easements for Redman Road Bridge Replacement Project in the Town of Hamlin may have a significant adverse impact on the environment pursuant to the State Environmental Quality Review Act ("SEQRA"). This action includes the acquisition of the following easements:

Parcel	Offeror	Amount

Town of Hamlin		

The Acquisition of Easements for Redman Road Bridge Replacement Project in the Town of Hamlin have been preliminarily classified as an Unlisted Action. The SEQRA regulations found at 6 NYCRR Part 617 requires that no agency shall carry out or approve an Action until it has complied with the requirements of SEQRA.

The specific legislative actions required are:

- 1. Determine that the Acquisition of Easements for Redman Road Bridge Replacement Project in the Town of Hamlin is an Unlisted Action.
- 2. Make a determination of significance regarding Acquisition of Easements for Redman Road Bridge Replacement Project in the Town of Hamlin pursuant to 6 NYCRR 617.7.
- 3. Authorize the County Executive, or his designee, to take such actions to comply with the requirements of the State Environmental Quality Review Act, including without limitation, the execution of documents and the filing, distribution and publication of the documents required under the State Environmental Quality Review Act, and any other actions to implement the intent of this resolution.

This designation will have no impact on the revenues or expenditures of the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Short Environmental Assessment Form Part 3 Determination of Significance

For every question in Part 2 that was answered "moderate to large impact may occur", or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. Part 3 should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short-term, long-term and cumulative impacts.

Part 1 of the EAF indicates the site contains or is near wetlands.

This project involves the Acquisition of Easements in Real Property for the Redman Road Bridge Replacement Project in the Town of Hamlin and will not impact the wetlands. No ground disturbance will occur as these are easements

For the above reasons the Acquisition of Easements in Real Property for the Redman Road Bridge Replacement Project in the Town of Hamlin will not result in any significant adverse environmental impacts. Accordingly, the proposed action will not result in any significant adverse environmental impacts.

Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action may result in one or more potentially large or significant adverse impacts and an environmental impact statement is required.
