Subject: Acceptance of a Grant from the New York State Governor's Traffic Safety Committee for the Child Passenger Safety Program (Department of Public Safety)

Honorable Legislators:

I recommend that Your Honorable Body accept a grant from the New York State Governor's Traffic Safety Committee, in the amount of \$3,500, for the Child Passenger Safety Program, for the period of October 1, 2016 through September 30, 2017.

This grant will fund the purchase of child safety seats, supplies and handouts for the Office of Traffic Safety's fitting station. A staff member, through a monthly fitting station, will inspect and oversee the installation of child safety seats along with increasing the knowledge of Monroe County residents on the proper use and installation of child safety seats. This will be the twelfth year the County has received this grant. This year's funding represents a decrease of \$6,500 from last year.

The specific legislative actions required are:

1. Authorize the County Executive, or her designee, to accept a \$3,500 grant from, and to execute a contract and any amendments thereto with, the New York State Governor's Traffic Safety Committee, for the Child Passenger Safety Program, for the period of October 1, 2016 through September 30, 2017.
2. Amend the 2016 operating grant budget of the Department of Public Safety by appropriating the sum of \$3,500 into fund 9300, funds center 2405100000, Office of Traffic Safety Program.

3. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements and to make any necessary funding modifications within grant guidelines to meet contractual commitments.
4. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

Environmental assessments were completed for this action and it was determined that there would be no significant effect on the environment.

This grant is 100% funded by New York State Governor's Traffic Safety Committee. No net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Cheryl Dinolfo
Monroe County Executive
