Subject: Amend Resolution 160 of 2010 to Amend and Increase the Contract with the University of Rochester Medical Center, Strong Occupational and Environmental Medicine, for Medical Occupational Examinations and Consultations for Monroe County Employees and the Monroe County HAZMAT Team

Honorable Legislators:

I recommend that Your Honorable Body amend Resolution 160 of 2010 to amend and increase the contract with the University of Rochester Medical Center, Strong Occupational and Environmental Medicine, for Medical Occupational Examinations and Consultations for Monroe County Employees and the Monroe County HAZMAT Team, from an amount not to exceed \$110,000 to an amount not to exceed \$195,000 per year, for the period of January 1, 2017 through December 31, 2018, with the option to renew for one (1) additional three-year term, in an amount not to exceed \$195,000 per year.

University of Rochester Medical Center, Strong Occupational and Environmental Medicine provides all necessary medical examinations required by County policy and regulatory agencies, as well as occupational consultations primarily to new hires and employees in safety sensitive situations. They perform, but are not limited to the following services: pre-employment drug testing and medical examinations; random, post accident, return to work examinations and follow up drug and alcohol testing of employees; fitness for duty examinations, assistance with assessing medical information related to the Family Leave Act and American Disabilities Act. The actual costs will be based on a fee for service provided and will depend on specific services rendered.

A request for qualifications for this service was issued with the University of Rochester Medical Center, Strong Occupational and Environmental Medicine, the sole responder.

The specific legislative action required is to amend and increase the contract with the University of Rochester Medical Center, Strong Occupational and Environmental Medicine, 601 Elmwood Avenue, Rochester, New York 14642, for Medical Occupational Examinations and Consultations for Monroe County Employees and the Monroe County HAZMAT Team, from an amount not to exceed \$110,000 to an amount not to exceed \$195,000 per year, for the period of January 1, 2017 through December 31, 2018, with the option to renew for one (1) additional three-year term, in an amount not to exceed \$195,000 per year.

Environmental assessments were completed for this action and it was determined that there would be no significant effect on the environment.

Funding for this contract is included in the 2017 Monroe County budget within the operating departments utilizing the services, and will be requested in future years budgets. No additional net County support is required in the current Monroe County budget.

The University of Rochester Medical Center, Strong Occupational and Environmental Medicine, is a not-for-profit agency, and the records in the Office of the Monroe County Treasury have indicated that it does not owe any delinquent Monroe County property taxes.

I recommend that this matter be referred to the appropriate committee(s) for a favorable action by Your Honorable Body.

Sincerely,

Cheryl Dinolfo
Monroe County Executive
