Subject: Acceptance of a Grant from the New York State Department of Health for the Sexually Transmitted Disease Intervention Program

Honorable Legislators:

I recommend that Your Honorable Body accept a grant from the New York State Department of Health, in the amount of \$225,000, for the Sexually Transmitted Disease (STD) Intervention Program, for the period of January 1, 2017 through December 31, 2017.

The purpose of this grant is to enhance STD investigation and control activities with the goal of reducing the rate of sexually transmitted disease in Monroe County. This grant will be used to provide funding for existing salary, benefits, supply and administrative costs. This will be the seventeenth year the County has received this grant. This year's funding represents an increase of \$81,756 from the previous 12-month period.

The specific legislative actions required are:

1. Authorize the County Executive, or her designee, to accept a \$225,000 grant from, and to execute a contract and any amendments thereto with, the New York State Department of Health, for the Sexually Transmitted Disease Intervention Program, for the period of January 1, 2017 through December 31, 2017.
2. Amend the proposed 2017 operating budget of the Department of Public Health by appropriating the sum of \$225,000 into general fund 9300, funds center 5802030100, STD Clinic.
3. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, and to make any necessary funding modifications within grant guidelines to meet contractual commitments.

4. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

Environmental assessments were completed for this action and it was determined that there would be no significant effect on the environment.

This grant is 100% funded by the New York State Department of Health. No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Cheryl Dinolfo
Monroe County Executive
