Subject: Authorize a Contract with Nurse-Family Partnership (National Service Office) for Support of the Nurse-Family Partnership Program

Honorable Legislators:

I recommend that Your Honorable Body authorize a contract with Nurse-Family Partnership (National Service Office), in an amount not to exceed \$37,205, for support of the Nurse-Family Partnership (NFP) program, for the period of January 1, 2017 through December 31, 2017.

This contract will support the County's existing NFP program. The NFP program is an evidence-based nurse home visiting program that has been rigorously evaluated and includes expertly trained nurses delivering the services per a standard curriculum. The NFP program provides home visits to high-risk, first time mothers, their infants and families to improve their pregnancy outcomes and their health, well-being and self-sufficiency. The national office of Nurse-Family Partnership provides services to communities in implementing and sustaining the NFP program, including program implementation support, education of nurse home visitors and supervisors and ongoing clinical support, agency management and operations support, evaluation, reporting and quality improvement support, federal policy and program financing support, and marketing and community outreach resources.

It has been determined that Nurse-Family Partnership (National Service Office) is a sole source provider for the NFP program services as they have the exclusive rights to replicate the NFP program.

**The specific legislative action required is to authorize the County Executive, or her designee, to execute a contract and any amendments thereto, with Nurse-Family Partnership (National Service Office), 1900 Grant Street, Suite 400, Denver, Colorado 80203, for support of the Nurse-Family Partnership program, in an amount not to exceed \$37,205, for the period of January 1, 2017 through December 31, 2017.**

Environmental assessments were completed for this action and it was determined that there would be no significant effect on the environment.

Funding for this contract is included in the proposed 2017 operating budget of the Department of Public Health, general fund 9300, funds center 5803050000, Nurse-Family Partnership. No additional net County support is required in the current Monroe County budget.

Nurse-Family Partnership is a not-for-profit entity, and the records in the Office of the Monroe County Treasury have indicated that it does not owe any delinquent Monroe County property taxes.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

  
Cheryl Dinolfo  
Monroe County Executive
