Subject: Amend Resolution 132 of 2016 to Accept Additional Funding from the New York State Department of Health for the Lead Poisoning Prevention Program

Honorable Legislators:

I recommend that Your Honorable Body amend Resolution 132 of 2016 to accept additional funding from the New York State Department of Health, in the amount of \$30,727, for the Lead Poisoning Prevention Program, for the period of October 1, 2015 through September 30, 2020.

The purpose of this grant is to provide medical and environmental case management and educational intervention for children with elevated blood lead levels and their families. This additional funding will be used to support Department of Public Health existing salary and benefits and other program support costs. The additional funding will bring the total program award to \$1,926,728.

**The specific legislative actions required are:**

1. Amend Resolution 132 of 2016 to accept an additional \$30,727 from, and to authorize the County Executive, or her designee, to execute a contract and any amendments thereto with, the New York State Department of Health, for the Lead Poisoning Prevention Program, bringing the total program award to \$1,926,728, for the period of October 1, 2015 through September 30, 2020.
2. Amend the 2016 operating grant budget of the Department of Public Health by appropriating the sum of \$30,727 into fund 9300, funds center 5806110000, Lead Programs.

Environmental assessments were completed for this action and it was determined that there would be no significant effect on the environment.

This grant is 100% funded by the New York State Department of Health. No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

  
Cheryl Dinolfo  
Monroe County Executive
