### Re: Enacting a Local Law Amending the Code of Ethics

Honorable Legislators:

As Legislators and public servants, we must be held to the highest standards of conduct. This legislation would strengthen the Monroe County Code of Ethics, adding provisions addressing conflicts of interest, use of county resources for political purposes and sexual harassment.

The Code of Ethics has not undergone substantial revisions in many years. This legislation seeks to begin to bring the Code of Ethics in line with peer counties in New York State.

The reforms proposed in this legislation would do the following:

- Make sexual harassment conduct that is prohibited.
- Require high-ranking officers to receive approval for outside employment.
- Require officials to recuse themselves in writing from matters in which they have a conflict.
- Close the revolving door of officers leaving County employment.
- Prohibit candidates from putting their images on taxpayer-funded mailings and ads before elections.
- Ban coercion of employees and use of County resources for political campaigns.

The specific legislative actions required are:

1. Schedule and hold a public hearing.
2. Adopt the Local Law as attached.

These important and common-sense additions and modifications to the Code of Ethics further ensure integrity of Monroe County government and the public's confidence in our work.

This proposal will have no impact on the revenue and/or expenditures of the current Monroe County Budget.

Sincerely,

Rachel Barnhart

By Legislator Barnhart

To The Honorable

Subject: Banning of Vaping in Monroe County Parks

Honorable Legislators:

We, the undersigned, do hereby submit to this Honorable Body a resolution to ban vaping in County public parks. New York State established a law in 2022 to prohibit smoking in any public park that is under the control of any state or local government; Assembly Bill 05061/Senate Bill S04142 was signed by Governor Hochul on July 15, 2022. A park is defined to include public parks, beaches, pools, boardwalks, marinas, playgrounds, recreation centers, group camps and the equipment, buildings and facilities in any of those areas.

Those smoke-free requirements apply to both state-owned parks, as well as those managed by local governments. The enacted State law restricts only "smoking," which is defined separately than "vaping" in New York law. Local units of government retain the ability to adopt stronger regulations that would restrict vaping or e-cigarette use in outdoor areas.

The specific legislative action required is to amend the Section 323-29 of the Monroe County Code to institute a ban on the use of vaping products in County parks.

This resolution will have no fiscal impact on Monroe County's Budget.
