Veto of Local Law (Intro. No. 135 of 2021), Entitled "Business Closure Transparency Act" Read and Print. (File No. 21-0248)

June 9, 2021

Mr. Jack Moffitt
Clerk of the Legislature
Monroe County Legislature
407 County Office Building
Rochester, New York 14614

Dear Mr. Moffitt:

This is in response to your letter of May 14, 2021, in which you presented, among other matters, a Local Law entitled "Business Closure Transparency Act" (Intro. No. 135 of 2021), which was certified by you to have been adopted by the Monroe County Legislature at its meeting on May 11, 2021. Pursuant to Municipal Home Rule Law § 21 and § C2-7(A)(3)(c) of the Monroe County Charter, with this letter I am providing notice to the Legislature that I have disapproved this Local Law and am returning it to you with my objections.

This local law is an overregulation of Monroe County businesses and inserts an unnecessary step into a process that is already transparent, subject to public oversight, and consistent with the rules and regulations promulgated to protect the public. Instances in which Monroe County is compelled to close a business are governed by Chapter 569 of the Monroe County Code and the Monroe County Board of Health Public Health Administrative Hearing Procedure, which was promulgated by the Monroe County Legislature under Resolution 126 of 1996. Pursuant to the Monroe County Code, business permits may only be suspended or revoked by the Director of Health or the Board of Health after due notice and a hearing. Due notice includes sending businesses that are alleged to be in violation of the Monroe County Sanitary Code, the New York State Sanitary Code, the New York State Public Health Law, and/or pertinent provisions of the administrative rules and regulations of the Board of Health (generally, “Public Health Laws”) a short and plain statement of facts surrounding the alleged violation(s), including the dates on which such facts were observed and specific references to the Public Health Laws alleged to have been violated.

Hearings are expeditious administrative proceedings to correct and impose penalties for violations of Public Health Laws. Hearings are open to the public, and each party has the right to be represented by counsel. Businesses have the right to appeal the decision of a hearing officer to the Monroe County Board of Health, the members of which are approved by the Monroe County Legislature and includes a member of that Honorable Body. If the issue the Legislature is seeking to address is that it is not receiving records or other sufficient information regarding the Board of Health’s work from the member of the County Legislature appointed to the Board, this issue should be addressed with the Legislature’s representative. Alternatively, my office would be happy to obtain any additional information you request. However, requiring the Director of Health and/or Monroe County Board of Health to submit a report to the Monroe County Legislature, which has no authority to review the decisions of the hearing officer or the Monroe County Board of Health, is inefficient, unnecessary, and does not provide any additional insight for businesses as to why a business permit was suspended or revoked.

Last, at the Legislature’s public hearing on this matter, I note that several business owners expressed concern about New York State’s restrictions that required many businesses to cease or restrict their operations during the pandemic. This Local Law does nothing to address those concerns because the various restrictions on business operations during the pandemic were imposed by New York State and not Monroe County. If the intent of this Local Law is to obtain information regarding these closures, this Local Law does not achieve this goal.

For the reasons stated above, I have disapproved the Local Law entitled “Business Closure Transparency Act” (Intro. No. 135 of 2021).

Sincerely,
Adam J. Bello
Monroe County Executive
