## Monroe County Board of Elections

### PRESS RELEASE

FOR IMMEDIATE RELEASE: OCTOBER 1, 2024

## 2024 General Election: Election Connection Newsletter

The Monroe County Board of Elections continues to expand the ways we distribute information to voters. This fall's **ELECTION CONNECTION** newsletter provides information for voters in the upcoming Presidential Election. This includes critical deadlines, how to make a plan to vote and how to participate in the election process.

This electronic publication enhances current communication efforts. Please share the newsletter widely to inform as many citizens as possible.

Each of the editions are posted on [www.monroecounty.gov/elections-media](http://www.monroecounty.gov/elections-media).

“Information is power. This newsletter serves as an additional means to empower voters and encourage participation in our electoral process,” said Commissioner Nicolay.

“Access is critical for all voters in Monroe County and the Board is proud to always keep language access front and center ensuring this publication is available in Spanish,” said Commissioner Ortiz.
