MONROE COUNTY EMBLEM

The emblem of the County of Monroe consists of a circle with a center symbolizing the City of Rochester as the county seat with nineteen spokes radiating outward to represent the nineteen towns in Monroe County.

The hub or center is divided into four quadrants portraying government, education, industry and agriculture.

The upper left quadrant illustrates the Civic Center buildings representing public services. Underneath the structures are wavy lines symbolizing the Genesee River and Lake Ontario.

The upper right quadrant displays the lamp of knowledge representing the importance of learning and education in Monroe County.

The lower right quadrant depicts lenses, diaphragm and gears which symbolize the skilled workforce in the county along with the industries that were founded here.

The lower left quadrant reveals a fruit tree superimposed over an outline of the county which illustrates the impact of agriculture historically in the county.

The emblem is featured on the county flag and is used for official government purposes. It is appropriate to feature the emblem on the cover of this directory given its wide distribution throughout Monroe County.

The information provided in this directory is accurate as of its date of printing, April 12, 2024. Any new changes will be reflected in the year 2025 directory. Monroe County Legislature Yversha Román President

The Monroe County Legislature has served as the Chief Lawmaking Body for the people of Monroe County since it replaced the former Monroe County Board of Supervisors in 1967. The Legislature and its 29 independently elected citizen representatives are the residents' most direct voice in County government. Each of the 29 legislators collectively provide the body with diverse backgrounds, perspectives, and experiences that make up the mosaic of our community. As legislators, it is our duty to work for the best interests of our constituents and all of Monroe County.

Today, our governing body is more reflective of the community it serves. As the first Latina elected to the Legislature and now the first to serve as President, it is my privilege to represent all the people of Monroe County. On behalf of the entire Legislature, I pledge to make meaningful progress. With my colleagues on both sides of the aisle and across our county, we will make the most of this historic opportunity to create lasting change for the benefit of all county residents. I will work hard to ensure vital and enduring partnerships are created within all levels of government and across the community. I believe our best days are still ahead.

The 2024 Monroe County Directory contains a listing of elected officials from all levels of government. The Directory also includes the Rules of the Legislature and an outline of the legislative process. I encourage you to utilize the information provided in the Directory as a helpful guide in making your government work better for you. Your input and participation in local government make our community stronger. THE LEGISLATIVE PROCESS

Many people in the community often ask how the legislative process in Monroe County works. We hope that you find the following brief explanation helpful and informative:

1. A Monroe County Legislator or the County Executive gets an idea based on local needs, county wide needs or information from constituents. These ideas are put in writing over the signature of the Legislator or County Executive. These communications can seek to create new laws, amend or repeal existing laws, provide authorization or funding for county projects and programs or simply request authorization.
2. The communication is submitted to the Clerk of the Legislature for processing. The President of the Legislature refers the communication to one or more of the nine standing committees of the Legislature. The Referral is then given a number and printed.
3. The Referral is placed on the agenda of the standing committee(s) to which it has been assigned. The Referral must be moved and seconded in committee in order to be considered. The Referral is discussed and then either voted on, referred to the County Administration for more information, tabled or filed.
4. If the Referral is adopted in committee, it is then sent before the full Monroe County Legislature for consideration. Again, the Referral must first be moved and seconded. Once it is introduced, the 29 members of the Legislature have an opportunity to discuss the Referral. Legislators may offer amendments to the Referral at this time. The Referral is then either adopted by the Legislature, tabled or sent back to committee for more information. Most Referrals require a simple majority vote in order to be adopted, however, if the Referral requires bonding authority then a two-thirds majority (20 votes) is required.
5. If the Referral is passed by the full Legislature, it is henceforth known as a Resolution of the Legislature or a Local Law and receives a number. Resolutions and Local Laws are sent to the County Executive for approval. If the County Executive Vetoes a Resolution or Local Law which required a simple majority to be adopted, it may still go into effect provided that three-fifths (18) of the 29 Legislators vote to Override the Veto. A Veto Override of a Resolution or Local Law which required a two-thirds majority to be adopted demands a vote of three-fourths (22) of the entire Legislature.

Section 545-34 Severability

In the event one or more rules or subdivisions of these Rules are declared unlawful or unconstitutional, such declaration shall not invalidate all of the Rules, but only those specifically declared unlawful or unconstitutional.

Section 545-35 Copies to be Printed

The Clerk shall have copies of these Rules printed and made available to Legislators, Staff, and the public.

Section 545-36 Caucuses Established

A Caucus shall be defined as a group of Legislators who are members or adherents of the same political party, or a group of Legislators who are adherents of the same issue. There shall be an established Caucus for each legally constituted political party represented by a County Legislator who is an enrolled member of said political party. Only the President of the Legislature shall have the power to establish additional Caucuses beyond those set forth herein. A group of Legislators wishing to establish a Caucus other than one for a legally constituted political party shall file notice with the President of the Legislature. Legislators shall be members of the legally constituted political party Caucus corresponding to their political party enrollment unless notice to the contrary is filed with the President of the Legislature. Legislators shall only be entitled to membership in one (1) established Caucus. Nothing in this section shall be construed to prohibit Legislators from forming or participating in an unestablished caucus.

Section 545-37 Majority and Minority Leaders Elected

The enrolled Legislators of the two (2) Caucuses with the greatest number of Legislators seated in the Legislature shall elect a leader of their respective Caucus. The leader of the Caucus whose membership of the Legislature constitutes a majority of the Legislature shall be known as the Majority Leader. The leader of the other Caucus shall be known as the Minority Leader. Those leaders shall serve at the pleasure of their respective Caucuses.

Section 545-38 Reallocation of Legislature Budget

The Legislature shall appropriate annually an amount for the operation of the staff offices for each Caucus established in accordance with Section 545-36. Such appropriations shall be based on each Caucus' percentage representation in the Legislative body and shall be reallocated anytime a Caucus' percentage representation changes. Should such a change occur during the course of the fiscal year, the reallocation shall be made on a prorated basis.

E. If a matter is referred to more than one (1) committee, the President or Presiding Officer shall designate a lead committee. LOCATION AND HISTORY

Monroe County is located in western New York on the south shore of Lake Ontario, approximately 70 miles east of the Buffalo/Niagara Falls area. The County is the northernmost portion of the Genesee River Valley and contains one city, 19 towns and 10 villages.

The Genesee River flows north from the uplands of northern Pennsylvania to Lake Ontario. Within Rochester, the river drops in elevation over rapids and waterfalls. As early as the 1790s, this geographic feature was harnessed by settlers to power grist mills and sawmills. The combination of the fertile Genesee River Valley land and the availability of hydro-power for mills resulted in the beginning of an agricultural and grain processing economy in the earliest part of the 19th century.

In the mid 1820s, a third factor resulted in explosive development in the Rochester/Monroe County area. Construction of the Erie Canal began in 1817 and reached Rochester in 1823. This provided farmers and grain processors with low-cost access to growing western markets and Monroe County's future as a major center was assured.

Monroe County is an incredible place with an extraordinary history and heritage, giving rise to celebrated change makers like Frederick Douglass and Susan B. Anthony and launching Fortune 500 companies like Kodak, Xerox, and Bausch and Lomb. Monroe County is home to over 1,000 small and mid-sized businesses that employ less than 1,000 people, accounting for the bulk of the countywide workforce. Monroe County's largest industries by employment include precision manufacturing, optics, financial services, healthcare, education, plastics, pharmaceuticals, and information technology, among others.

GOVERNMENT

Established on February 23, 1821 from parts of neighboring Genesee and Ontario Counties, the county was named after United States President James Monroe. The first meeting of the 43-member Board of Supervisors took place on May 8, 1821. The first County Manager was appointed by the Board in 1936. The Monroe County Charter became effective in 1967 creating the 29-member County Legislature which replaced the Board of Supervisors. In 1980, the Charter was amended to provide for the direct election of a County Executive for a four-year term beginning in 1984.

B. To adjourn. This motion is always in order except when a speaker has the floor, during roll call, or immediately after it has been voted down. It requires a majority vote.

C. The previous question. This motion is used to close debate and may be made by any Legislator when debate has become long drawn out. It is made in the following manner: "Mr. President, I move the previous question." Without a second the Presiding Officer then asks the Legislative body, "Shall debate be closed and the question now be put?" The Clerk then calls the full roll call, and if two-thirds (2/3) of those present vote in the affirmative, the question under debate and then before the Legislative body is immediately voted upon in the usual manner without further debate.

Section 545-19 Voting

All voting on local laws, resolutions and motions shall be by voice vote, in the following manner:

A. The Clerk shall call the roll on every occasion when requested to do so by any Legislator.

B. No Legislator shall leave his/her seat, refuse to vote or abstain from voting on a local law, resolution or motion unless excused from voting pursuant to this rule. No Legislator shall speak during roll call except to request to be excused from voting.

C. Any Legislator requesting to be excused from voting shall make a brief statement of the reasons for making such a request, and the Presiding Officer shall excuse from voting any member who, in the opinion of the Presiding Officer, has a direct personal or pecuniary interest in the matter to be voted upon.

D. Any Legislator desiring to leave the meeting shall first obtain permission from the Presiding Officer.

E. A majority of the total Legislature (i.e., 15 votes) is required to pass any local law, resolution or motion, except where otherwise required by law or stated in these Rules. When the number of votes cast for and against any proposition is equally divided, the question shall be deemed to be lost, except in the case of an appeal of the decision of the Chair, as set forth in Section 545-17F.

- (9) Environment and Public Works

B. The Legislature may create and abolish such standing committees as it deems appropriate. All standing committees shall consist of at least five (5) members of the Legislature.

C. The following shall be the functions of the above named standing committees:

followed by their proper name, except the Presiding Officer shall be addressed as “Mr. President/Madam President” or “Mr. Chairman/Madam Chairman” as appropriate.

Section 545-17 Debatable Motions

Debatable motions shall be as follows:

A. The main motion. The main motion is a motion by itself or one to adopt a local law or resolution before the Legislature. It may be amended and requires a majority vote except where otherwise required by law or these Rules. A motion may be withdrawn by its proposer at any time before a vote is taken.

B. An amendment to the main motion or an amendment of such amendment. An amendment is a motion to change or modify the main motion or an amendment of it. An amendment shall not be amended more than once. Amendments shall be disposed of in inverse order before voting on the main motion, and require a majority vote.

C. To commit. This motion is used to refer a matter to committee or back to committee. The motion may be amended and requires a majority vote.

D. To reconsider. The purpose of this motion is to reconsider a motion that was previously carried or lost. It may be made only by one who voted with the prevailing side, but may be seconded by anyone. No question can be reconsidered more than once. It may not be amended and requires a majority vote. (Note: two (2) votes are required: first, on whether the original question shall be reconsidered, and if passed, second, on the original motion.)

E. To sever. This motion is used to divide a question into two (2) or more logical parts. It may be amended, and requires a majority vote.

F. Point of order. A point of order is not properly a motion, since it is used by a Legislator to object to an aspect of procedure. It is always in order, except during roll call, and requires an immediate ruling from the Presiding Officer. The form is, “Mr./Ms. President, a point of order please.” The Presiding Officer then says, “Please state your point of order.” The Legislator then states his/her position, and the Presiding Officer then sustains or denies the point of order. The form is, “I sustain (or deny) your point of order.” If the Legislator is not satisfied with the ruling of the Presiding Officer, the Legislator may appeal the decision by stating, “I respectfully appeal the decision of the Chair to the Legislature.” The Presiding Officer then addresses the Legislature as follows: “Shall the decision of the Chair be sustained?” At this point, debate is in order, and the Presiding Officer may discuss the issue without substituting another member in his/her place. At the conclusion of debate and upon the direction of the Presiding Officer, the Clerk shall call the full roll call. A majority or tie vote of those present sustains the decision of the Presiding Officer. The Presiding Officer shall be entitled to vote on the appeal of the decision of the Chair.

G. To discharge a Committee. This motion is used to remove a matter from consideration by one (1) or more of the Standing or Special Committees of the Legislature. It may be amended and requires a majority vote.

Section 545-18 Motions Without Debate

The following motions are not debatable:

A. To lay on the table. This motion is used to postpone a subject under discussion to some time in the near future. It is not amendable and requires a majority vote. When a subject is to be reconsidered, a motion is in order to remove the matter from the table.
