Office of the County Executive

Monroe County, New York

Adam J. Bello
County Executive

December 6, 2024

To The Honorable
Monroe County Legislature
407 County Office Building
Rochester, New York 14614

Subject: Amend the 2025 Capital Budget and Bond Resolution 114 of 2023 to Provide an Increase in Funding and to Authorize a Contract with Crane-Hogan Structural Systems, Inc. for Construction Services for the North Hamlin Road over Sandy Creek Bridge Project in the Town of Hamlin

Honorable Legislators:

I recommend that Your Honorable Body amend the 2025 Capital Budget and Bond Resolution 114 of 2023 to provide an increase in funding in the amount of \$590,000 and authorize a contract with Crane-Hogan Structural Systems, Inc. in the amount of \$2,021,101 for construction services for the North Hamlin Road over Sandy Creek Bridge Project in the Town of Hamlin.

This project involves removal and replacement of the superstructure for the bridge on North Hamlin Road over Sandy Creek in the Town of Hamlin. The existing abutments and center pier will be rehabilitated and new bridge bearings, steel girders, concrete deck, and bridge railings will be installed. The original project scope was to rehabilitate the existing bridge deck and maintain the existing steel superstructure. However, during preliminary design it was determined that the bridge deck and also the steel superstructure needed full replacement. This change in scope will necessitate an increase in construction funding. The current schedule is to start work in spring 2025 with an anticipated completion by fall 2025.

The following two (2) bids were received on October 11, 2024:

Table with 2 columns: Bidder Name and Bid Amount. Crane-Hogan Structural Systems, Inc. \$2,021,101.00; Ramsey Constructors, Inc. \$2,296,484.00

The bids have been reviewed and Crane-Hogan Structural Systems, Inc. has been determined to be the lowest responsible bidder pursuant to General Municipal Law §103.

The specific legislative actions required are:

- 1. Amend the proposed 2025 Capital Budget to increase funding for the North Hamlin Road over Sandy Creek Bridge Project in the Town of Hamlin in the amount of \$590,000 from \$2,075,000 to \$2,665,000 for a total project authorization of \$2,665,000.

2. Amend Bond Resolution 114 of 2023 to increase financing for the North Hamlin Road over Sandy Creek Bridge Project in the Town of Hamlin, capital fund 2022, in the amount of \$590,000 from \$2,075,000 to \$2,665,000 for a total project authorization of \$2,665,000.
3. Authorize the County Executive, or his designee, to execute a contract with Crane-Hogan Structural Systems, Inc., 3001 Brockport Road, Spencerport, New York 14559, in the amount of \$2,021,101 for construction services for the North Hamlin Road over Sandy Creek Bridge Project in the Town of Hamlin, and any amendments necessary to complete the project within the total capital fund(s) appropriation.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(2) (“replacement, rehabilitation or reconstruction of a structure or facility, in kind, on the same site”) and is not subject to further review under the State Environmental Quality Review Act.

Funding for this project, consistent with authorized uses, will be included in capital fund 2022 once the additional financing authorization herein is approved and in any other capital fund(s) created for the same intended purpose. No additional net County support is required in the current Monroe County budget.

The records in the office of the Monroe County Treasury have indicated that neither Crane-Hogan Structural Systems, Inc., nor any of its principal officers, owe any delinquent Monroe County property taxes. The principal officers of the firm are:

Dan Hogan, President
Chris Bollin, Vice President
Craig Stevens, Vice President

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive
