**RE: Memorializing the United States Congress to Pass the LGBTQI+ and Women's History Education Act of 2023.**

Honorable Legislators:

Between 2021 and 2023, nine states passed censorship laws restricting schools from including influential and historical members of the LGBTQI+ community in the curriculum. According to the ACLU, over 200 anti-LGBTQI+ school and education bills were introduced in 2023 in State legislatures across the Country.

Erasing LGBTQI+ individuals from education is unacceptable. Children in these schools will now never learn of the achievements of Sally Ride, Frida Kahlo, Angela Davis, and countless other important historical figures. They will never learn of the Stonewall Riots or of Marsha "Pay it No Mind" Johnson.

This bill, H.R.4273, sponsored by Representative Becca Balint, calls for the National Museum of American History of the Smithsonian Institution to develop and distribute relevant, accurate, and accessible resources for teachers to use to include LGBTQI+ and women's history in their curriculum. Further, the bill emphasizes an inclusive and intersectional method of teaching and includes workshops to help educators incorporate this approach in their classrooms.

Further, this legislation would see the creation of a Smithsonian website dedicated to improving awareness and understanding of LGBTQI+ and women's history education. So that even in states with harmful anti-LGBTQI+ education laws, students can still access credible information online.

**H.R.4273: LGBTQI+ and Women's History Education Act of 2023** is imperative to ensuring the incredible work of LGBTQI+ individuals and women does not disappear from our history. We encourage the members of the House of Representatives to pass this legislation, and for members of the Senate to introduce a companion bill. We also urge President Biden to follow suit and sign this into law.

**RE: Memorializing the United States Congress to Pass The Equality Act.**

Honorable Legislators:

Discrimination can be found within every aspect of our society. While we have made great strides, there is still so much work to be done. Systemic discrimination based on sex, sexual orientation, and gender identity is prevalent throughout America and we have a responsibility to do everything in our power to end it.

The Equality Act, sponsored by Senator Jeff Merkley and Representative Mark Takano, seeks to expand Title II and Title VI of the Civil Rights Act of 1964. This bill would prohibit public spaces, federally funded programs, stores, transit services, health care and legal services from discriminating against a person based on their sex, sexual orientation, or gender identity. Further, this legislation would provide protections for the LGBTQI+ community within public schools and while seeking employment.

In short, **S.5/H.R.15: The Equality Act** would afford consistent and explicit non-discrimination protections to LGBTQI+ individuals; something long overdue in our Country. We encourage the members of the Senate and the House of Representatives to pass this legislation. We also urge President Biden to follow suit and sign this into law.

Respectfully submitted,

Albert Blankley

**Subject: Memorializing Governor Kathy Hochul to Sign Bill S.5195-B/A.4611-B:  
"Removes the Requirement that a Veteran Served During Wartime to be  
Granted Certain Benefits"**

Honorable Legislators:

The New York State Legislature has passed a bipartisan bill entitled "Removes the Requirement that a Veteran Served During Wartime to be Granted Certain Benefits." This bill reflects an ongoing commitment to recognize and honor all veterans who have served in the armed forces, regardless of the specific time periods of their service. Veterans often face significant challenges when trying to access state services and benefits due to restrictive eligibility criteria based on service periods.

This legislation would amend several state laws, including the Veterans' Services Law, the Social Services Law, and the Vehicle and Traffic Law. The amendments to the Veterans' Services Law will expand the scope of assistance provided by state and local veterans' service agencies to include all veterans, ensuring benefits are not limited to those who served in specified wartime periods. The Social Services Law will be redefined to encompass all individuals who have served in the United States armed forces and have been honorably discharged or released under honorable circumstances. This redefinition ensures that peacetime veterans receive equal recognition and benefits. The Vehicle and Traffic Law will extend the provision of distinctive vehicle registration plates for severely disabled veterans to include all veterans who meet the disability criteria, eliminating the previous wartime service requirement.

These changes collectively uphold the principle of fairness and respect, affirming that all veterans, regardless of their service during war or peace, have earned the right to be recognized and supported by the state for their dedication and sacrifices. This legislation is a beacon of fairness in the provision of veterans' benefits, acknowledging that all service, whether in times of conflict or peace, contributes significantly to the safety and security of our nation.

The State of New York has a proud tradition of leading in supporting and advocating veterans' rights and services. This legislation continues that legacy by ensuring no veteran is left behind. This act represents a significant step forward in the comprehensive support of veterans

and their families, ensuring they have access to the educational, medical, employment, and other benefits they rightfully deserve. It is also a matter of effective governance and fiscal responsibility, as it reduces administrative burdens and ensures a more inclusive and fair distribution of resources.

Therefore, we urge you to join us in calling upon Governor Kathy Hochul to sign Bill S.5195-B/A.4611-B into law, ensuring that all veterans, regardless of their service period, are able to receive equal benefits. We urge all legislators to join us in this important effort to honor our veterans, uphold our values of fairness and equity, and continue New York State's leadership in veteran support.

**Subject: Memorializing the New York State Legislature to Enact A03022, Prohibits Price Gouging on Certain Consumer Goods Sold at Thruway Gas Stations, Restaurants, and Other Facilities**

Honorable Legislators:

Throughout New York State, drivers, commercial vehicles, and commuters all find themselves navigating the New York State Thruway System at some point or another to travel and work. Due to increasing costs and inflation, driven by policy decisions, current events, and the aftermath of the COVID-19 pandemic, Thruway-goers are forced to pay more out of pocket to travel. Notably, in 2021, tolls were increased by 9% for non-NY E-ZPass vehicles, and by a stark 24% for all Tolls by Mail vehicles. Making the local burden of these higher tolls and costs worse, according to the New York State Thruway System, the Rochester/Victor/Canandaigua Area accounted for the second-highest amount of vehicles traveling on the Thruway per year. In 2022, the mainline section of the Thruway in our area accounted for 21.2 million vehicles annually. While tolls have increased along the Thruway, prices have also surged for consumer goods in the various facilities along the Interstate such as restaurants and gas stations.

During these stressful times of record-high inflation, uncertainty, and fearfulness, price gouging has become prevalent throughout the State and the Nation. Price gouging is defined as the unconscionably excessive pricing of necessary consumer goods and services during times of abnormal market disruption, including but not limited to consumer goods, medical supplies, food, and gasoline. Throughout the COVID-19 pandemic, New York State residents experienced a vast increase in price gouging occurring on behalf of businesses and corporations, leading to out-of-control pricing and unfair business practices. The businesses and corporations with facilities along the New York State Thruway System have also taken part in this, especially given that Thruway-goers are funneled into purchasing fuel, food, and other goods from businesses on the Thruway with no other option.

In order to successfully put an end to the strain that these unfair business practices have placed onto our residents, Assemblyman Jensen introduced Bill A03022, amending the current general business law to prohibit price gouging on certain consumer goods sold within the Thruway facilities. While New York State's general business law prohibits price gouging, it neglected the

Thruway system and its usage of public authorities throughout the Thruway facilities. Bill A03022 remedies this problem by amending the text to read: "This prohibition shall also apply to consumer goods and services sold at service facilities established pursuant to subdivision ten of section three hundred fifty-four of the public authorities law." With ever-increasing tolls, gas prices, and other items, our New Yorkers deserve to know that the prices paid at these facilities are fair and just, without being taken advantage of due to the limited options for goods, services, and fuel along the Thruway system.

Therefore, we, members of the Ways and Means and Transportation Committees, urge you to join us in calling upon the New York State Legislature to pass A.03022 and enact this much-needed change to the general business law in order to better protect our residents and visitors from price gouging on the New York State Thruway System.

**Subject: Memorializing Governor Kathy Hochul to Sign Senate Bill S7544 and Assembly Bill A6766 to Require Appointment of Veteran's Liaison in All State Agencies**

Honorable Legislators:

Veterans often face significant challenges when trying to access state services and benefits due to complex bureaucratic processes. In Monroe County alone, there are over 50,000 veterans who could benefit from streamlined services. By appointing a veteran's liaison in each state agency, we can reduce the complexity and delays that veterans face, ensuring they receive the support they deserve in a timely and efficient manner. To address this, Senate Bill S7544 and Assembly Bill A6766 mandates the appointment of a veteran's liaison within every state agency. This liaison will act as a dedicated point of contact, assisting veterans in navigating state services, accessing benefits, and addressing their unique needs.

Many veterans are unaware of the full range of benefits and services available to them, which can lead to underutilization of essential programs designed to support their well-being. The veteran's liaison will play a crucial role in educating and guiding veterans to comfortably access their entitled benefits. This dedicated point of contact will not only assist in navigating the intricacies of state services but also advocate for veterans within state agencies, ensuring their voices are heard and their interests are represented in policy and decision-making processes.

The coordination between multiple state agencies is essential for delivering comprehensive and cohesive support to veterans. The veteran's liaison will facilitate improved inter-agency coordination, ensuring that veterans receive holistic support tailored to their unique needs. This legislation represents a positive step forward in honoring our commitment to those who have served our country and in improving the lives of veterans and their families throughout the state.

This bill is not just a matter of fulfilling our moral obligations; it is also about effective governance and fiscal responsibility. By providing veterans with a clear point of contact, we can reduce redundancy and inefficiency within state agencies. This can lead to cost savings and better allocation of resources, ultimately benefiting all taxpayers. Additionally, supporting our

veterans is a core American value, reflecting our dedication to those who have fought to protect our freedoms.

Furthermore, this legislation promotes self-sufficiency and empowerment among veterans. By ensuring they have access to the benefits and services they are entitled to, we are helping them to integrate more fully into civilian life, contribute to the economy, and strengthen our communities. Veterans bring valuable skills and perspectives, and it is our duty to ensure they are not hindered by bureaucratic red tape.

Therefore, I urge you to join me in calling upon Governor Kathy Hochul to sign Senate Bill S7544 and Assembly Bill A6766 into law, directing all state agencies to designate a veteran's liaison. This action will ensure that veterans in Monroe County and across New York State receive the streamlined, effective support they have earned through their service. We urge all legislators to join us in this important effort to better serve our veterans, reduce bureaucratic inefficiencies, and uphold the values that make our country strong.

## Summary of Qualifications

---

Seasoned, self-motivated financial professional with a diverse set of transferable skills. Highly regarded for integrity, creativity, positive outlook, sales proficiency, and problem solving skills.

## Highlights

---

- Excellent communication skills including public speaking and writing
- Expertise in training, mentoring and career development of aspiring Financial Consultants
- Creates unique financial strategies for clients, recommending the best products for their unique situation

## Professional Experience

---

### Village of Scottsville Mayor

Scottsville,  
April 2022-Present

- Use every skill I've acquired - plus developing some new ones- to effectively manage all aspects of the Village of Scottsville, including budgeting, personnel (office and DPW), taxpayer issues, property and code issues.
- Work together with the town of Wheatland for better results and efficiencies.
- Search for grant opportunities and complete grant applications, from application, to award, to administration.

### VanBortel Subaru Sales

Henrietta, NY  
Nov 2018 – May 2022

- Meet and greet potential auto buyers. Determine their needs, price ranges, time frames, and trade in value.
- Present the best fitting option(s), add accessories, calculate final costs and financing options.
- Responsible for the entire customer experience from beginning to end.

### Nothnagle Home Securlties/1st Priority Mortgage Mortgage Originator

Rochester, NY  
Sept 2016-Nov 2018

- Solicit mortgage leads from Howard Hanna branch offices by developing long term relationships, based on mutual trust and benefit.
- Prequalify potential home buyers, making appropriate mortgage program recommendations from a suite of products including VA, FHA, Conventional, and SONYMA. Provided reliable preapproval letters to real estate agents and their buyers.
- Develop a path to successful home ownership if buyers weren't yet qualified.
- Proactively communicate with buyers and agents during all phases of the process.

**ESL Federal Credit Union**  
**Financial Consultant**

Rochester, NY  
May 2005 – Sept 2016

- Navigate a diverse group of clients and their investments, striving to create confidence in the markets and long term positive outcomes.
- Utilize an in-depth knowledge of the markets, products and needs assessments to make appropriate recommendations.
- Monitor the results of the plan and adjust accordingly for life and wealth changes, risk tolerances, and market conditions.

**AXA Advisors/M&T Bank**  
**Financial Consultant**

Rochester, NY  
Sept 2001- Feb 2005

- Entry level investment sales positions using industry standard methods including cold calling, asking for client referrals and referrals from bank platform.
- Used marketing and curriculum development skills to conduct financial and investment seminars to build a client base.

**Home Properties Inc.**  
**Marketing Manager /Trainer**

Rochester, NY  
May 1995-Sept 2001

- Used a broad range of advertising and marketing tools to promote a large portfolio of apartment properties including brochures, print media, local outreach and internet advertising.
- Developed and delivered numerous corporate training programs including Customer Service, Fair Housing, and Sales/Leasing Techniques.
- Project Manager on a variety of projects including video productions, company newsletters, corporate retreats, and annual meetings.

**Work History:**

- Alpco Recycling – 1994 to 1995  
**Position Held:** Residential Recycling Drop Off Supervisor
- Clearvue Polymers, Inc. 1995  
**Position Held:** Processing Technician
- Kruger Recycling, Inc. – 1995 to 2001  
**Positions Held:** Shift Supervisor  
Plant Manager  
Operations Manager
- Cascades Recovery +  
2001 to Present  
**Position Held:** Plant Supervisor  
General Manager; Plant Operations  
General Manager; Buffalo & Rochester  
General Manager; US Operations  
Regional Operations Manager

**Summary of Experience:**

**Operations:**

- Responsible for all day-to-day operations of recycling plants, garbage transfer stations, bale warehouse and transport fleets. Ensure all equipment is running safely and efficiently, all preventive maintenance practices are being performed regularly.
- Oversee large capital improvement projects. Included but not limited to, planning, implementing and execution of said projects. Projects include installing new equipment, removal of old equipment, opening new plants, relocation of plants, closing of plants. Purchase and start up of new equipment.

- Currently, is responsible for all aspects of operating three facilities in New York. Including operations, sales, customer relations, human resource, health/safety, information, accounting and profit/loss. Also coaching and training less experienced staff throughout the Cascades organization.
- Helping to secure low landed cost OCC supply to paper mills all over the Northeast USA

**Supervisory:**

- Supervised employees from multiple disciplines. Including but not limited to general laborers, office staff, machine operators, drivers, supervisors, managers, accountants, HR/HS coordinators, and sales staff.
- Responsible for hiring, terminations, performance reviews, disciplinary actions and training of employees throughout his career.
- Involved in the full cycle process of labor planning during facility start-ups and shutdowns.

**Marketing:**

- Oversaw expansion of recycling programs. Included but not limited to, planning, implementing and execution of said projects. Projects include mixed office paper programs, industrial plastic programs, e-waste and large curbside expansion programs.
- Currently works closely with Cascades in-house marketing group in the selling of material.
- Worked, directly, with brokers and other end market vendors for waste and recycling products. Materials include but are not limited to e-scrap, rolls, industrial plastic and glass.
- Works closely with Cascades customers and Municipalities to ensure a high level of service, at all times.
- Has extensive knowledge of all grades of fiber and container product.

**Other:**

- Member of the Monroe County Recycling Advisory Committee since 2013
- Selected Chairmen of the Monroe County Recycling Advisory Committee October 2020.
- Selected board member New York Chapter of Solid Waste Association of North America July 2023.
- Member Cascades committee on intergenerational diversity.

**Jeffrey Richardson**  
**Sr. District Manager**  
**Waste Management of NY, LLC**

**Jeffrey Richardson is the Sr. District Manager for Waste Management of New York's upstate NY operations. Mr. Richardson is an accomplished executive with more than 25 years of experience in driving brand growth, maximizing operational excellence and delivering financial performance. Mr. Richardson's operations experience in NY includes landfills, transfer stations, renewable energy facilities, recycling facilities and acquisitions. Mr. Richardson's current responsibilities include directing and overseeing multiple districts having annualized revenues in excess of \$100 million. He and his team are charged with providing superior customer service, meeting stakeholder expectations, ensuring safety, environmental and operational excellence, strategic planning, capital management and financial performance. Jeff holds a Bachelor of Science degree in Engineering from the State University of NY, College of Environmental Science and Forestry, Syracuse.**

## Objective

To constantly drive my company Sunnking Inc. to be an industry leader within the electronics recycling business. Increase recycling rates throughout NY State by decreasing e-scrap volumes into landfills.

## Education

- SUNY Brockport
- Business

## Experience

Jan 1, 2000 to Current

Founder/CEO | Sunnking Inc | Brockport, NY, Buffalo, NY, Utica, NY

Having the privilege of self employment and twenty four (24) years of constant learning and evolving within the recycling industry.

## Awards & Acknowledgements

- First NY State company to receive R2/RIOS recycling certification
- Numerous local and regional awards and acknowledgments
- Donations of over 100K to charitable organizations, specifically Camp Good Days

No. <u>240202</u>
Not to be removed from the Office of the Legislature Of Monroe County
Committee Assignment
<b>ENV. &amp; PUB. WORKS -L</b>
<b>REC &amp; ED</b>
<b>WAYS &amp; MEANS</b>

To The Honorable  
Monroe County Legislature  
407 County Office Building  
Rochester, New York 14614

**Subject:** Amend the 2024-2029 Capital Improvement Program and 2024 Capital Budget to Add a Project Entitled "Monroe Community College Optics Micro-credential Laboratory;" Authorize Financing for the Project; and Authorize Contracts with the Dormitory Authority of the State of New York

Honorable Legislators:

I recommend that Your Honorable Body amend the 2024-2029 Capital Improvement Program and 2024 Capital Budget to add a project entitled "Monroe Community College Optics Micro-credential Laboratory;" authorize financing for the project in the amount of \$2,700,000; and authorize contracts with the Dormitory Authority of the State of New York.

The Monroe Community College ("MCC") Optics Project is currently underway to construct new academic spaces in conjunction with the new building for the Applied Technologies Center ("ATC"). Your Honorable Body approved that project by Resolution 402 of 2023. MCC has identified an opportunity to expand the Optics Program through the renovation of existing academic spaces to create Optics Micro-credential Laboratories. Micro-credentials are 12-credit "fast track" training programs validated by SUNY that can provide a participant with employer-essential skills in a 15-week timeframe. The dedicated laboratories will allow MCC to efficiently facilitate cohorts of 12 students and serve incumbent workers wanting to upskill, without having to negotiate lab and equipment time around those students seeking Associate degrees and certificates.

This project will relocate non-Optics labs and install new optics training equipment in renovated spaces in Building 9 at the Brighton Campus. The project will be adjacent to, and sequence with, the pending new construction of the ATC/Optics building. The renovations and availability of the space is anticipated for the Fall 2025 semester.

Partial reimbursement of 50% of project costs will be requested from New York State Empire State Development upon establishment of the Resolution and the capital fund.

The project is scheduled to be considered by the Monroe County Planning Board on June 27, 2024.

**The specific legislative actions required are:**

1. Amend the 2024-2029 Capital Improvement Program to add a project entitled "Monroe Community College Optics Micro-credential Laboratory" in the amount of \$2,700,000.

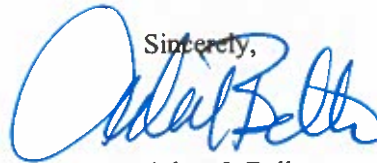

2. Amend the 2024 Capital Budget to add a project entitled "Monroe Community College Optics Micro-credential Laboratory" in the amount of \$2,700,000.
3. Authorize financing for the project entitled "Monroe Community College Optics Micro-credential Laboratory" in the amount of \$2,700,000.
4. Authorize the County Executive, or his designee, to execute contracts with Empire State Development and/or the Dormitory Authority of the State of New York to purchase fixtures and equipment for the "Monroe Community College Optics Micro-credential Laboratory Project," and any amendments necessary to complete the project within the total capital fund(s) appropriation.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(2) ("replacement, rehabilitation or reconstruction of a structure or facility, in kind, on the same site, including upgrading buildings to meet building, energy, or fire codes, unless such action meets or exceeds any of the thresholds in section 617.4 of this Part") and (10) ("routine activities of educational institutions, including expansion of existing facilities by less than 10,000 square feet of gross floor area and school closings, but not changes in use related to such closings") and is not subject to further review under the State Environmental Quality Review Act.

Funding for this project, consistent with authorized uses, will be included in the capital fund to be created and any other capital fund(s) created for the same intended purpose. No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello  
Monroe County Executive

# Office of the County Executive

Monroe County, New York

County Executive

June 7, 2024

To The Honorable  
Monroe County Legislature  
407 County Office Building  
Rochester, New York 14614

**Subject:** Acceptance of a Restore New York Grant from Empire State Development Corporation for the Triangle Building Project and Authorize a Grant Agreement with Jays Acquisitions II LLC, or a Subsidiary Thereof

Honorable Legislators:

I recommend that Your Honorable Body accept a Restore New York grant from the Empire State Development Corporation in the amount of \$3,000,000 for the Triangle Building Project and enter into a grant agreement, and any accompanying grant documents, with Jays Acquisitions II LLC, or a subsidiary thereof to pass through grant funds up to the amount of \$3,000,000.

The purpose of this grant is to provide funding for a portion of the Triangle Building Project, which includes renovation of 39,000 sq. ft. of the Sibley Triangle Building into 36 residential apartments and 11,500 sq. ft. of lower floor commercial space on the .18 acre site located at 20-30 East Avenue in the City of Rochester. The remaining project costs of \$3,725,000 will be funded through equity and financing from the developer, Jays Acquisitions II LLC.

**The specific legislative actions required are:**

1. Authorize the County Executive, or his designee, to accept a \$3,000,000 Restore New York grant from, and to execute a contract and any amendments thereto with, Empire State Development Corporation for the Triangle Building Project.
2. Authorize the County Executive, or his designee, to enter into a grant agreement and any accompanying grant documents, and any amendments thereto, with Jays Acquisitions II LLC, or a subsidiary thereof, to utilize grant funds to reimburse for Triangle Building Project cost up to the amount of \$3,000,000.
3. Amend the 2024 operating budget of the Department of Planning and Development by appropriating the sum of \$3,000,000 into general fund 9300, funds center 1401010000, Planning Administration.

4. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, to make any necessary funding modifications within the grant guidelines to meet contractual commitments, and to enter into any amendments to extend the time period of the grant.
5. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(18) (“reuse of a residential or commercial structure, or of a structure containing mixed residential and commercial uses, where the residential or commercial use is a permitted use under the applicable zoning law or ordinance, including permitted by special-use permit, and the action does not meet or exceeds any of the thresholds in section 617.4 of this Part”) and is not subject to further review under the State Environmental Quality Review.

This grant is 100% funded by Empire State Development Corporation. No net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello  
Monroe County Executive

June 7, 2024

To The Honorable  
Monroe County Legislature  
407 County Office Building  
Rochester, New York 14614

**Subject:** Classification of Action, Designation of Lead Agency, and Determination of Significance, Pursuant to State Environmental Quality Review Act (SEQRA) for Additions to the Monroe County Western and Eastern Agricultural Districts

Honorable Legislators:

I recommend that Your Honorable Body designate Monroe County as Lead Agency to Authorize Additions to the Monroe County Western and Eastern Agricultural Districts ("Districts") and to determine whether the action may have a significant adverse impact on the environment pursuant to SEQRA.

Western Agricultural District #5:

- 1298 West Ave, Town of Parma, consisting of approximately 20.44 acres, tax account number 023.04-1-12.1, owned by Steven C Trombley Jr. & Alyssa A Trombley
- 75 Walker Rd, Town of Hamlin, consisting of approximately 5.00 acres, tax account number 023.03-2-3.23, owned by Anthony C Zamiara
- Walker Rd, Town of Hamlin, consisting of approximately 5.00 acres, tax account number 023.03-2-3.24, owned by Anthony C Zamiara
- 2845 Colby St, Town of Sweden, consisting of approximately 9.90 acres, tax account number 099.01-1-15, owned by Nancy S Sanger and Kris M Sanger
- 858 Swamp Rd, Town of Sweden, consisting of approximately 8.67 acres, tax account number 099.01-1-13.2, owned by Nancy S Sanger and Kris M Sanger

Eastern Agricultural District #6:

- Erie Station Rd, Town of Henrietta, consisting of approximately 5.96 acres, tax account number 189.02-1-7.21, owned by Lynn P Keenan

The additions to the Districts has been preliminarily classified as an Unlisted action pursuant to 6 NYCRR § 617.4. The State Environmental Quality Review Act regulations found at 6 NYCRR Part 617 requires that no agency shall carry out or approve an Action until it has complied with the requirements of SEQRA.

**The specific legislative actions required are:**

1. Designate Monroe County as Lead Agency for the Additions to the Districts pursuant to 6 NYCRR § 617.7.
2. Determine that the Additions to the Districts is an Unlisted Action.
3. Make a determination of significance for the Additions to the Districts pursuant to 6 NYCRR § 617.7.
4. Authorize the County Executive, or his designee, to take such actions to comply with the requirements of SEQRA, including without limitation, the execution of documents and the filing, distribution and publication of the documents required under SEQRA, and any other actions to implement the intent of this resolution.

This action will have no impact on the revenues or expenditures of the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,  

Adam J. Bello  
Monroe County Executive

STATE ENVIRONMENTAL QUALITY REVIEW
SHORT ENVIRONMENTAL ASSESSMENT FORM
FOR AGRICULTURAL DISTRICTS

UNLISTED ACTIONS ONLY

Please indicate lead agency status by checking the appropriate box below:

[X] The proposed action is within the scope of a cooperative agreement between the undersigned County Legislative Body ("CLB") and the Department of Agriculture and Markets ("Department")...

[ ] The proposed action is not within the scope of a cooperative agreement between an applicable CLB and the Department...

Part 1 - Project and Sponsor Information

1. The proposed action is located in the County of Monroe and the Town(s) of Hamlin, Henrietta, Parma, and Sweden.

2. The agency responsible for preparing this Short Environmental Assessment Form and determining environmental significance is the CLB of Monroe County.

3. The name, address, and e-mail address for the Clerk of the above named CLB is: David Grant

407 County Office Bldg, 39 West Main Street, Rochester, NY 14614

DGrant@monroecounty.gov

4. Does the proposed action only involve the modification, consolidation or termination of a county-adopted, State-certified agricultural district by the CLB pursuant to Agriculture and Markets Law (AML) §§303-a, 303-b or 303-c? [X] Yes [ ] No

If Yes, attach a narrative description (including a location map) of the intent of the proposed action and the environmental resources that may be affected in the County. If No, this form should not be used to evaluate the potential environmental impacts of the proposed action.

5. Is this an action proposed to modify an existing agricultural district? [X] Yes [ ] No

If Yes, total number of acres comprising the agricultural district as it exists prior to modification: 143,413 acres.

**Short Environmental Assessment Form**  
**New York State Department of Agriculture and Markets**

6. If this proposed action involves a modification, will such modification result in a change in the size of the agricultural district?  Yes  No

- If yes, how many acres are involved in the change? 54.97 acres
- Does this represent  an increase or  a decrease?

7. Check all present land uses that occur on, adjoining, and near the proposed action?

Residential  Industrial  Commercial  Agriculture  Park/Forest/Open Space  Other

If Other, please describe: \_\_\_\_\_

8. Information on Coastal Resources. Is the action located within, or have a significant effect on:

- A Coastal Area, or the waterfront area of a Designated Inland Waterway?  Yes  No
- A Coastal Erosion Hazard Area?  Yes  No
- A community with an approved Local Waterfront Revitalization Program?  Yes  No

If Yes, please identify the affected community or communities: \_\_\_\_\_

9. Information on Local Agricultural and Farmland Protection Plans

- Is the action compatible with the County's Agricultural & Farmland Protection Plan?  Yes  No

If Yes, date of Plan approval: April 28, 1999

If Yes, please cite the applicable language: \_\_\_\_\_

The County and the municipalities in which the districts are located continue to promote the districts by supporting continuation of the districts each time they come up for renewal. Therefore, consider focusing efforts on the districts to reinforce and enhance this existing protection mechanism and reinforce and enhance the support the districts have received and continue to receive from the State, County, and municipalities.

10. Comments from Municipalities within the County

- Did the CLB receive any comments from municipalities about the addition or removal of land from the agricultural district?  Yes  No

If Yes, please briefly summarize the comments: \_\_\_\_\_

11. Attach any additional information as may be needed to clarify the proposed action.

I AFFIRM AND CERTIFY THAT THE INFORMATION PROVIDED ABOVE IS TRUE AND ACCURATE TO THE  
BEST OF MY KNOWLEDGE

**Short Environmental Assessment Form**  
**New York State Department of Agriculture and Markets**

**Part 2: Impact Assessment**

Part 2 is to be completed by the County Legislative Body ("CLB") as Lead Agency.

Answer all of the following questions in Part 2 using the information contained in Part 1 and other materials submitted to the CLB for the proposed modification, consolidation or termination of a county-adopted, State-certified agricultural district or otherwise available to the reviewer.

In providing responses to each of the questions, the reviewer should keep in mind that the action proposed is the modification, consolidation or termination of an agricultural district(s). The action is not the land use or activity which will, or may, take place in the district(s). For example, it is not appropriate to consider the effects of management actions that may be taken by individual operators in conducting farming. Agricultural farm management practices, including construction, maintenance and repair of farm buildings, and land use changes consistent with generally accepted principles of farming are listed as Type II actions in 6 NYCRR §617.5(c)(3), and these actions have been determined not to have a significant impact on the environment.

	None to small impact may occur	Moderate to large impact may occur
1. Will the proposed action create a material conflict with an adopted land use plan or zoning regulations?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
2. Will the proposed action result in a change in the use or intensity of use of land?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
3. Will the proposed action impair the character or quality of the existing community?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
4. Will the proposed action have an impact on the environmental characteristics that caused the establishment of a Critical Environmental Area (CEA)?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
5. Will the proposed action result in an adverse change in the existing level of traffic or affect existing infrastructure for mass transit, biking or walkway?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
6. Will the proposed action cause an increase in the use of energy and fail to incorporate reasonably available energy conservation or renewable energy opportunities?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
7. Will the proposed action impact existing:		
a. public / private water supplies?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
b. public / private wastewater treatment utilities?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
8. Will the proposed action impair the character or quality of important historic, archaeological, architectural or aesthetic resources?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
9. Will the proposed action result in an adverse change to natural resources (e.g., wetlands, waterbodies, groundwater, air quality, flora and fauna)?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
10. Will the proposed action result in an increase in the potential for erosion, flooding or drainage problems?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
11. Will the proposed action create a hazard to environmental resources or human health?	<input checked="" type="checkbox"/>	<input type="checkbox"/>

**Short Environmental Assessment Form  
New York State Department of Agriculture and Markets**

**Part 3: Determination of Significance**

For every question in Part 2 that was answered "moderate to large impact may occur," or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. Part 3 should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short term, long-term and cumulative impacts.

Six parcels have been submitted for addition to the Monroe County Agricultural Districts, Western District #5 and Eastern District #6. These parcels are located throughout the County. The addition of each parcel is part of the annual addition period for the Monroe County Agricultural Districts. Accordingly, this will be reviewed as one action and all impacts, scope, and significance will be determined together.

The action taking place is the addition of parcels to an agricultural district, no physical construction or changes to the parcels are permitted by this action. The parcels being added to the Agricultural District are used for agricultural activities that reflect the current and historic character of the surrounding area and will remain the same through this action. They are not anticipated to change in character, attract people or traffic, impact existing water and waste water services.

This action will not result in significant adverse impacts to on-site or nearby national or state register of historic places, or state eligible sites, or archaeological sites; wetlands or other regulated water-bodies; 100 year flood plain (s), or remediation sites.

Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action may result in one or more potentially large or significant adverse impacts and an environmental impact statement is required.

Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action will not result in any significant adverse environmental impacts.

June 7, 2024

To The Honorable  
Monroe County Legislature  
407 County Office Building  
Rochester, New York 14614

Subject: Authorize Additions to the Monroe County Agricultural Districts

Honorable Legislators:

I recommend that Your Honorable Body authorize the following six (6) parcels for addition to the Monroe County Western and Eastern Agricultural Districts ("Districts") as follows:

Western Agricultural District #5:

- 1298 West Ave, Town of Parma, consisting of approximately 20.44 acres, tax account number 023.04-1-12.1, owned by Steven C Trombley Jr. & Alyssa A Trombley
- 75 Walker Rd, Town of Hamlin, consisting of approximately 5.00 acres, tax account number 023.03-2-3.23, owned by Anthony C Zamiara
- Walker Rd, Town of Hamlin, consisting of approximately 5.00 acres, tax account number 023.03-2-3.24, owned by Anthony C Zamiara
- 2845 Colby St, Town of Sweden, consisting of approximately 9.90 acres, tax account number 099.01-1-15, owned by Nancy S Sanger and Kris M Sanger
- 858 Swamp Rd, Town of Sweden, consisting of approximately 8.67 acres, tax account number 099.01-1-13.2, owned by Nancy S Sanger and Kris M Sanger

Eastern Agricultural District #6:

- Erie Station Rd, Town of Henrietta, consisting of approximately 5.96 acres, tax account number 189.02-1-7.21, owned by Lynn P Keenan

Pursuant to Article 25AA Section 303-b of the Agriculture and Markets Law, a report has been prepared by the Monroe County Agricultural and Farmland Protection Board recommending the proposed addition to the Monroe County Agricultural Districts. Your Honorable Body must hold a public hearing before taking action to add these parcels to the District.

**The specific legislative actions required are:**

1. Hold a public hearing on the addition of six (6) parcels to the Monroe County Agricultural Districts, as set forth in the report prepared by the Monroe County Agricultural and Farmland Protection Board.
2. Consider the recommendations and facts presented at the hearing relative to the addition of the parcels to the Monroe County Agricultural Districts.
3. Add six (6) parcels to the Monroe County Agricultural Districts, upon favorable consideration of the recommendations.

The provisions of the New York State Environmental Quality Review Act shall be complied with prior to Your Honorable Body undertaking, funding, or approving the action requested in this referral.

This addition to the Monroe County Agricultural Districts will have no impact on the revenues or expenditures of the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,  

Adam J. Bello  
Monroe County Executive

Department of Planning & Development

May 1, 2024

To The Honorable  
Monroe County Legislature  
407 County Office Building  
Rochester, New York 14614

SUBJECT: Addition of 6 Parcels to Agricultural Districts

Honorable Legislators:

Article 25AA Section 303-B of the NYS Agriculture and Markets law allows additions to established agricultural districts prior to the normal eight-year review date. The law also requires the county agricultural and farmland protection board to review the proposed additions to the district(s) and make recommendations on the proposal to the legislative body. Resolution number 10 of 2024 adopted by Your Honorable Body directed the Agricultural and Farmland Protection Board to review and make recommendations on additions to the district(s).

Therefore, in accordance with Article 25AA, we are pleased to transmit this report concerning our review, findings, and recommendations. This report includes 1) a list of six (6) parcels from four (4) landowners. All applicants were interviewed by phone. A determination was made by the AFPB based on soil type, enterprise budget, physical structures and landowner intent as to whether or not these parcels are predominantly viable agricultural land. The following 6 parcels have been found to be viable agricultural land and are recommended by AFPB to be added to an agricultural district.

- 1) Western Agricultural District #5: mailing address Stephen C. Trombley, 1298 West Avenue, Hilton NY, one parcel located in Town of Parma, 023.04-1-12.1 (20.44 acres)
- 2) Western Agricultural District #5: mailing address Anthony C. Zamiara, 5 Stag Creek Trail, Brockport NY, two parcels located in Town of Hamlin, 023.03-2-2.3 (5 acres) and 023.03-2-3.24 (5 acres)

---

1000 East Henrietta Road, Rochester, New York 14623  
(585) 292-2065 Fax (585) 292-3866

- 3) Western Agricultural District #5: mailing address Nancy S. and Kris M. Sanger, 2845 Colby Street, Brockport NY, two parcels Town of Sweden 099.01-1-15 (9.9 acres) and 099.01-1-13.2 (8.67 acres).
- 4) Eastern Agricultural District #6: mailing address Lynn Keenan, 12 Sisson Drive, Henrietta NY, one parcel Town of Henrietta 189.02-1-7.21 (6.03 acres)

Based on telephone interviews with owners and municipal officials, analysis of USDA soil maps, and site visits, the Board has determined that all 6 parcels are comprised of predominantly viable agricultural land and inclusion of these parcels into an agricultural district would serve the public interest by assisting in maintaining a viable agricultural industry within the respective municipalities.

Sincerely,

<b>WAYS &amp; MEANS</b>

June 7, 2024

To The Honorable  
Monroe County Legislature  
407 County Office Building  
Rochester, New York 14614

Subject: Authorize an Intermunicipal Agreement with the Town of Pittsford for the Tobey Road Sidewalk Project; Appropriate Committed Fund Balance; and Authorize an Interfund Transfer

Honorable Legislators:

I recommend that Your Honorable Body authorize an intermunicipal agreement with the Town of Pittsford (the "Town") for the Tobey Road Sidewalk Project in an amount not to exceed \$203,000; appropriate committed fund balance; and authorize an interfund transfer.

The Town has submitted a Monroe County Municipal Sidewalk Funding Application to install approximately 4,435 linear feet of sidewalk along the north side of Tobey Road between Clover Street and Cricket Hill Drive (the "Project"). The total construction costs are anticipated to be approximately \$405,000. Through the intermunicipal agreement, the County will reimburse the Town in an amount not to exceed \$203,000 for construction expenses. The \$203,000 of the County's share will be paid for by the appropriation and transfer of committed fund balance pursuant to Resolution 197 of 2023.

The Project will connect existing sidewalk networks serving this area and provide a continuous path between residential neighborhoods, schools, the YMCA, Tobey Office Park, and the Village of Pittsford. The aforementioned project was identified as a high priority in the Town's and Village of Pittsford's 2019 Active Transportation Plan, and would further the goals of the County's Countywide Active Transportation Plan to fill gaps within the existing sidewalk network.

**The specific legislative actions required are:**

1. Authorize the County Executive, or his designee, to execute an intermunicipal agreement, and any amendments thereto, with the Town of Pittsford in an amount not to exceed \$203,000 for the Tobey Road Sidewalk Project.
2. Amend the 2024 operating budget of the Department of Finance-Unallocated by appropriating committed fund balance in the amount of \$203,000 into general fund 9001, funds center 1209030000, Transfer to Other Funds.
3. Authorize an interfund transfer in the amount of \$203,000 from the Department of Finance-Unallocated, general fund 9001, funds center 1209030000, Transfer to Other Funds, to the Department of Transportation, road fund 9002, funds center 8002060000, Sidewalk Projects.

This action is an Unlisted Action under the New York State Environmental Quality Review Act ("SEQRA"). The Town of Pittsford will conduct a coordinated review and the provisions of SEQRA shall be complied with prior to Your Honorable Body undertaking, funding, or approving the action requested in this referral.

Funding for this intermunicipal agreement will be available in the Department of Transportation, road fund 9002, funds center 8002060000, Sidewalk Projects once the interfund transfer has been authorized. This interfund transfer will require \$203,000 of additional net County support for which the appropriation of committed fund balance is requested.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello

**Subject: Authorize an Intermunicipal Agreement with the Town of Penfield for the Plank Road, Jackson Road, and Five Mile Line Road Sidewalk Project; Appropriate Committed Fund Balance; and Authorize an Interfund Transfer**

Honorable Legislators:

We recommend that Your Honorable Body authorize an intermunicipal agreement with the Town of Penfield (the "Town") for the Plank Road, Jackson Road, and Five Mile Line Road Sidewalk Project in an amount not to exceed \$700,000; appropriate committed fund balance; and authorize an interfund transfer.

The Town has submitted a Monroe County Municipal Sidewalk Funding Application to install approximately 14,692 linear feet of sidewalk along Plank Road between Shoecraft Road and Jackson Road, Jackson Road between Plank Road and Penfield Center Road and Five Mile Line Road between Embury Road and Crossbow Drive (the "Project"). The total construction costs are anticipated to be approximately \$1,400,000. Through the intermunicipal agreement, the County will reimburse the Town in an amount not to exceed \$700,000 for construction expenses. The \$700,000 of the County's share will be paid for by the appropriation and transfer of committed fund balance pursuant to Resolution 197 of 2023.

The Project will connect existing sidewalk networks serving this area and provide a continuous path between residential neighborhoods, schools, town parks, several places of worship, and various retail and tourist destinations. Such connections were identified as a high priority in the Town's 2023 Comprehensive Plan Update, and would further the goals of the County's Countywide Active Transportation Plan to fill gaps within the existing sidewalk network.

**The specific legislative actions required are:**

1. Authorize the County Executive, or his designee, to execute an intermunicipal agreement, and any amendments thereto, with the Town of Penfield in an amount not to exceed \$700,000 for the Plank Road, Jackson Road, and Five Mile Line Road Sidewalk Project.
2. Amend the 2024 operating budget of the Department of Finance-Unallocated by appropriating committed fund balance in the amount of \$700,000 into general fund 9001, funds center 1209030000, Transfer to Other Funds.
3. Authorize an interfund transfer in the amount of \$700,000 from the Department of Finance-Unallocated, general fund 9001, funds center 1209030000, Transfer to Other Funds, to the Department of Transportation, road fund 9002, funds center 8002060000, Sidewalk Projects.

This action is an Unlisted Action under the New York State Environmental Quality Review Act (“SEQRA”). The Town of Penfield will conduct a coordinated review and the provisions of SEQRA shall be complied with prior to Your Honorable Body undertaking, funding, or approving the action requested in this referral.

Funding for this intermunicipal agreement will be available in the Department of Transportation, road fund 9002, funds center 8002060000, Sidewalk Projects once the interfund transfer has been authorized. This interfund transfer requires \$700,000 of additional net County support for which the appropriation of committed fund balance is requested.

We recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello

To The Honorable  
Monroe County Legislature  
407 County Office Building  
Rochester, New York 14614

**Subject:** Accept Additional Funding from the New York State Department of Transportation for the State Supported Consolidated Local Street and Highway Improvement Program

**Honorable Legislators:**

I recommend that Your Honorable Body accept additional funding from the New York State Department of Transportation in the amount of \$5,809 for the State Supported Consolidated Local Street and Highway Improvement Program.

The Consolidated Local Street and Highway Improvement Program ("CHIPS") helps support the cost of highway and bridge maintenance throughout Monroe County. The New York State Department of Transportation budget also includes programs entitled Extreme Winter Recovery ("EWR"), PAVE-NY, and Pave Our Potholes ("POP"), which provide additional funding to the CHIPS program. Pursuant to the recently approved FY 2024-2025 New York State Budget, Monroe County will receive an additional \$5,809, bringing the total CHIPS award to \$10,855,809.

**The specific legislative actions required are:**

1. Authorize the County Executive, or his designee, to accept additional funding from the New York State Department of Transportation in the amount of \$5,809 for the State Supported Consolidated Local Street and Highway Improvement Program, bringing the total funding amount to \$10,855,809.
2. Amend the 2024 operating budget of the Department of Transportation, by appropriating the sum of \$5,809 into road fund 9002, funds center 8002050000, State Supported Consolidated Local Street and Highway Improvement Program.
3. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, to make any necessary funding modifications within the grant guidelines to meet contractual commitments, and to enter into any amendments to extend the time period of the grant.

110 County Office Building • 39 West Main Street • Rochester, New York 14614

(585) 753-1000 • fax: (585) 753-1014 • [www.monroecounty.gov](http://www.monroecounty.gov) • e-mail: [countyexecutive@monroecounty.gov](mailto:countyexecutive@monroecounty.gov)

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) (“routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment”) and is not subject to further review under the State Environmental Quality Review Act.

Partial funding for this program is included in the 2024 operating budget of the Department of Transportation, road fund 9002, funds center 8002050000, State Supported Consolidated Local Street and Highway Improvement Program. The appropriated amount will adjust the current funding to that established for the program by the NYS approved budget.

This program is 100% funded by the New York State Department of Transportation. No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,  

Adam J. Bello  
Monroe County Executive

**Subject:** Amend Resolution 102 of 2024 to Accept Additional Funding from the United States Department of Homeland Security - Homeland Security Investigations – Rochester Division for State and Local Overtime

Honorable Legislators:

This matter is being referred to Your Honorable Body at the request of Sheriff Todd K. Baxter.

I recommend that Your Honorable Body amend Resolution 102 of 2024 to accept additional funding from the United States Department of Homeland Security – Homeland Security Investigations – Rochester Division for State and Local Overtime in the amount of \$30,000 for the reimbursement of overtime for the period of February 1, 2024 through September 30, 2024.

This grant will reimburse a portion of the overtime costs associated with the overtime of one (1) Investigator, one (1) Sergeant, and five (5) Deputies assigned to HSI Rochester Investigations. This will be the fourth year the County has received this grant. This additional funding will bring the grant total to \$55,000.

**The specific legislative actions required are:**

1. Amend Resolution 102 of 2024 to accept an additional \$30,000 from, and to authorize the County Executive, or his designee, to execute a contract and any amendments thereto, with the United States Department of Homeland Security – Homeland Security Investigations – Rochester Division for State and Local Overtime for the reimbursement of overtime for the period of February 1, 2024 through September 30, 2024.

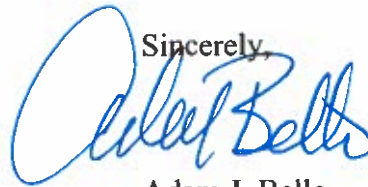

2. Amend the 2024 operating budget of the Office of the Sheriff by appropriating the sum of \$30,000 into general fund 9300, funds center 3803010000, Police Bureau Administration.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) (“routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment”) and is not subject to further review under the State Environmental Quality Review Act

This grant is 100% funded by the United States Department of Homeland Security – Homeland Security Investigations – Rochester Division for State and Local Overtime. No net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello

**Subject:** Acceptance of a Grant from New York State Division of Homeland Security and Emergency Services for the FY2021 Explosive Detection Canine Team Grant Program (Development)

Honorable Legislators:

This matter is being referred to Your Honorable Body at the request of Sheriff Todd K. Baxter.

I recommend that Your Honorable Body accept a grant from the New York State Division of Homeland Security and Emergency Services in the amount of \$60,000 for the FY2021 Explosive Detection Canine Team Grant Program (Development) for the period of April 1, 2024 through August 31, 2025.

This Federal Fiscal Year 2021 grant provides funds for the law enforcement community to support their terrorism prevention and preparedness efforts. The funds will be used to acquire a new K-9 vehicle and train a new K-9 for the Monroe County Sheriff's Office Explosive Detection Canine Team Program. This is the fourth time the County has received this grant. This year's funding represents an increase of \$10,000 from FY2018.

**The specific legislative actions required are:**

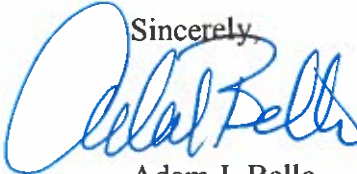

1. Authorize the County Executive, or his designee, to accept a \$60,000 grant from, and to execute a contract and any amendments thereto, with the New York State Division of Homeland Security and Emergency Services for the FY2021 Explosive Detection Canine Team Grant Program (Development) for the period of April 1, 2024 through August 31, 2025.

2. Amend the 2024 operating budget of the Office of the Sheriff by appropriating the sum of \$60,000 into general fund 9300, funds center 380301000, Explosive Canine Team Program.
3. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, to make any necessary funding modifications within the grant guidelines to meet contractual commitments, and to enter into any amendments to extend the time period of the grant.
4. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) (“routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment”) and (31) (“purchase or sale of furnishings, equipment or supplies, including surplus government property, other than the following: land, radioactive material, pesticides, herbicides, or other hazardous materials”) and is not subject to further review under State Environmental Quality Review Act.

This grant is 100% funded by the Federal Department of Homeland Security (administered by the New York State Division of Homeland Security and Emergency Services). No net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,  

Adam J. Bello

**Subject:** Acceptance of a Grant from New York State Division of Homeland Security and Emergency Services for the FY2021 Explosive Detection Canine Team Grant Program (Enhancement)

Honorable Legislators:

This matter is being referred to Your Honorable Body at the request of Sheriff Todd K. Baxter.

I recommend that Your Honorable Body accept a grant from the New York State Division of Homeland Security and Emergency Services in the amount of \$15,000 for the FY21 Explosive Detection Canine Team Grant Program (Enhancement) for the period of April 1, 2024 through August 31, 2025.

This Federal Fiscal Year 2021 grant provides funds for the law enforcement community to support their terrorism prevention and preparedness efforts. The funds will be used for training to enhance the capabilities of the Monroe County Sheriff's Office Explosive Detection Canine Team Program. This is the eighth year the County has received this grant. This year's funding is the same as last year's funding.

**The specific legislative actions required are:**

1. Authorize the County Executive, or his designee, to accept a \$15,000 grant from, and to execute a contract and any amendments thereto, with the New York State Division of Homeland Security and Emergency Services for the FY2021 Explosive Detection Canine Team Grant Program (Enhancement) for the period of April 1, 2024 through August 31, 2025.

2. Amend the 2024 operating budget of the Office of the Sheriff by appropriating the sum of \$15,000 into general fund 9300, funds center 3803010000, Explosive Canine Team Program.
3. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, to make any necessary funding modifications within the grant guidelines to meet contractual commitments, and to enter into any amendments to extend the time period of the grant.
4. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) (“routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment”) and (31) (“purchase or sale of furnishings, equipment or supplies, including surplus government property, other than the following: land, radioactive material, pesticides, herbicides, or other hazardous materials”) and is not subject to further review under State Environmental Quality Review Act.

This grant is 100% funded by the Federal Department of Homeland Security (administered by the New York State Division of Homeland Security and Emergency Services). No net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

**Subject:** Acceptance of Two Grants from New York State Division of Homeland Security and Emergency Services for the FY2021 and FY2022 Bomb Squad Initiative Grant Program/Homeland Security's State Homeland Security Program (Office of the Sheriff)

**Honorable Legislators:**

This matter is being referred to Your Honorable Body at the request of Sheriff Todd K. Baxter.

I recommend that Your Honorable Body accept two grants from the New York State Division of Homeland Security and Emergency Services in the amount of \$112,500 for the FY2021 and in the amount of \$100,000 for the FY2022 Bomb Squad Initiative Grant Program/Homeland Security's State Homeland Security Program for the period of April 1, 2024 through August 31, 2025.

These Federal Fiscal Year 2021 and 2022 grants provide funds for the law enforcement community to support their terrorism prevention and preparedness efforts. The funds will be used to purchase equipment and training to enhance the capabilities of the Monroe County Sheriff's Office FBI Certified Bomb Squad. This is the sixteenth time the County has received these grants. The 2021 funding represents the same level of funding from the 2020 grant.

**The specific legislative actions required are:**

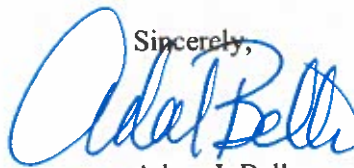

1. Authorize the County Executive, or his designee, to accept a \$112,500 grant from, and to execute a contract and any amendments thereto, with the New York State Division of Homeland Security and Emergency Services for the FY2021 Bomb Squad Initiative Grant Program/Homeland Security's State Homeland Security Program for the period of April 1, 2024 through August 31, 2025.
2. Authorize the County Executive, or his designee, to accept a \$100,000 grant from, and to execute a contract and any amendments thereto, with the New York State Division of Homeland Security and Emergency Services for the FY2022 Bomb Squad Initiative Grant Program/Homeland Security's State Homeland Security Program for the period of April 1, 2024 through August 31, 2025.

3. Amend the 2024 operating grant budget of the Office of the Sheriff by appropriating the sum of \$212,500 into general fund 9300, funds center 3803010000, Police Bureau Administration.
4. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, to make any necessary funding modifications within the grant guidelines to meet contractual commitments, and to enter into any amendments to extend the time period of the grant.
5. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) (“routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment”) and (31) (“purchase or sale of furnishings, equipment or supplies, including surplus government property, other than the following: land, radioactive material, pesticides, herbicides, or other hazardous materials”) and is not subject to further review under the State Environmental Quality Review Act.

This grant is 100% funded by the Federal Department of Homeland Security (administered by the New York State Division of Homeland Security and Emergency Services). No net county support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

**Subject:** Acceptance of a Grant from the New York State Division of Homeland Security and Emergency Services for the FY2021 Technical Rescue & Urban Search and Rescue Grant Program

Honorable Legislators:

I recommend that Your Honorable Body accept a grant from the New York State Division of Homeland Security and Emergency Services in the amount of \$126,338 for the FY2021 Technical Rescue & Urban Search and Rescue Grant Program for the period of April 1, 2024 through August 31, 2025.

The New York State Division of Homeland Security and Emergency Services provides funding to support the continued development of the community's technical rescue capabilities. The intent of this grant is to promote regional partnerships using local agency support for technical rescue field response and operations. This program directly supports the on-going activities of the Monroe County Special Operations Unit and its regional partners

Specifically, this grant will enhance the ability to respond to technical rescue incidents in the areas of structural collapse, rope rescue, and related low-frequency/high risk events. This is the eleventh year the County has received the grant. This funding represents a decrease of \$4,600 from the previous grant.

**The specific legislative actions required are:**

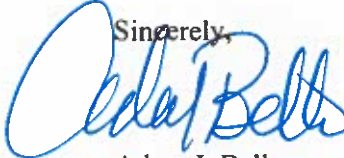

1. Authorize the County Executive, or his designee, to accept a \$126,338 grant from, and to execute a contract and any amendments thereto with, the New York State Division of Homeland Security and Emergency Services for the FY2021 Technical Rescue & Urban Search and Rescue Grant Program for the period of April 1, 2024 through August 31, 2025.
2. Amend the 2024 operating budget of the Department of Public Safety by appropriating the sum of \$126,338 into general fund 9300, funds center 2408020100, Mutual Aid Fire Bureau.

3. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, to make any necessary funding modifications within the grant guidelines to meet contractual commitments, and to enter into any amendments to extend the time period of the grant.
4. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

This is a Type II Action pursuant to 6 NYCRR §617.5(c)(26) (“routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment”) and is not subject to further review under the State Environmental Quality Review Act.

This grant is 100% funded by the Federal Department of Homeland Security (administered by the New York State Division of Homeland Security and Emergency Services). No net County support is required in the current Monroe County Budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Monroe County, New York

Adam J. Bello  
County Executive

June 7, 2024

To The Honorable  
Monroe County Legislature  
407 County Office Building  
Rochester, New York 14614

Subject: Amend Resolution 234 of 2023 to Amend and Increase the Contract with Ontario Bus Inc. for Bus Transportation Services for Monroe County Early Intervention and Preschool Special Education Programs

Honorable Legislators:

I recommend that Your Honorable Body amend Resolution 234 of 2023 to amend and increase the contract with Ontario Bus Inc. for bus transportation services for children enrolled in the Monroe County Early Intervention and Preschool Special Education Programs for the period of July 1, 2023 through June 30, 2026, for the first year of the contract (July 1, 2023 through June 30, 2024), with annual increases not to exceed the annual Consumer Price Index ("CPI") increase for the Northeast Urban area for the prior twelve months preceding the date on which the new contract year is to commence, and with the option to renew for two (2) additional one-year periods at an annual rate of increase not to exceed the annual CPI increase for the Northeast Urban area for the twelve months preceding each renewal.

This contract will provide New York State-mandated transportation services to children within Monroe County who are receiving services through our Early Intervention and Preschool Special Education Programs. Children within these programs receive a variety of services, including but not limited to speech therapy, occupational therapy, and physical therapy, which often require transportation to and from the child's home. Ontario Bus Inc. has a history of successfully providing such services to this specialized population.

**The specific legislative action required is to amend Resolution 234 of 2023 to amend and increase the contract with Ontario Bus Inc. for bus transportation services for the Monroe County Early Intervention and Preschool Special Education Programs from an amount not to exceed \$10,306,272 to an amount not to exceed \$15,800,000 for the first year of the contract (July 1, 2023 through June 30, 2024).**

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) (“routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment”) and is not subject to further review under the State Environmental Quality Review Act.

Funding for this contract is included in the 2024 operating budget of the Department of Public Health, general fund 9001, funds centers 5807060000, EI Transportation and 5807540000, PSE Transportation, and will be requested in future years’ budgets. No additional net County support is required in the current Monroe County budget.

The records in the Office of the Monroe County Treasury have indicated that neither Ontario Bus Inc., nor any of its principal officers, owe any delinquent Monroe County property taxes. The principal officers of the firm are:

Gary Yuzbashev, President  
Igor Finkelstein, General Manager

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,  

Adam J. Bello  
Monroe County Executive
